Introduction:

The National Education Policy-2020 (NEP-2020) is grounded on the principles of Access, Equity, Quality, Affordability and Accountability. NEP-2020 proposes to revise and revamp all aspects of the education structure, including its regulation and governance, to create a new system that is aligned with the inspirational goals of 21st-century education. The NEP-2020 provides a detailed proposal to reform the regulatory system by establishing four autonomous institutional structures carrying out four essential functions of regulation, accreditation, funding, and academic standard-setting of less than one umbrella institution - the Higher Education Commission of India (HECI).

Objective of the Event:

- To create the understanding of NEP, 2020
- To know the areas, features, objectives of NEP 2020
- To gain the knowledge of the recommendations of NEP 2020
- To know the effects of NEP 2020 on education system.
