Event: Fire Drill Activity

Resource Person: Ravi Subramanyam

Date: 25/11/2017 Time: 11:00 am Venue: Modern College campus

Introduction: A fire drill is a simulation of a real life emergency event and should be treated as such, for the safety of all concerned. Fire drills are critical for ensuring the safety of the staff, students and residents that enter your college building or property. Practicing fire drills will help ensure individuals have the knowledge to safely escape a fire without injuring themselves or others.

Objective of the Event:

- To Involvement of teaching and non-teaching staff during emergencies Preparedness and alertness
- To understand The features of the fire emergency systems installed in the building.
- To understand what they need to do if there is a fire

The event "Fire Drill" was conducted by MCCCS College. This program was conducted on the 25th November 2017 under the guidance of Asst. Prof. Rohit Waghmare, Assistant Professor at MCCCS, coordinated the event successfully.

Fire drill started at 11 am when all Teaching and Non-teaching staff arrived at the college campus. Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. Faculty and staff should close (not lock) doors and windows and take responsibility for checking facilities for complete evacuation. A briefing was done on Fire and Emergency response during Fire Emergency. The fire-Fighting team used the right Extinguisher for the Extinguishing purpose(DCP, Water). The workforce remained calm, while the mock drill was in progress, and showed keen interest to get knowledge about the emergency.

Total Number of Participants: 06

Outcomes: Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. All were very happy to attend the program & also suggested many more such activities for safety purposes.

Session - III

Topic: Role of Teachers in Administration: current challenges

Resource Person: Prof. Prasad Ghodake

Date: 11 September 2018 Time: 11:30 am to 01:00 pm

This session highlighted the current difficulties teachers encounter in their administrative roles as well as solutions. Teaching requires certain values, according to Prof. Prasad Ghodake. He clarified the distinctions between a teacher, mentor, guide, and guru. The distinction between information, knowledge, and wisdom was also mentioned by Sir. He emphasised the value of a multidisciplinary approach to instruction and how it was urgently needed.

Session - IV

Topic: Globalization in higher Education **Resource Person:** Dr. Mandakini Bhosale

Date: 11 September 2018 Time: 01:30 pm to 03:00 pm

Dr. Bhosale discussed the necessity of globalizing higher education so that graduates might connect with students from other parts of the world. Dr. Bhosale madam outlined the prospects and challenges for the same. Madam also stressed how crucial it is to train the system and employees so they can compete with any foreign university. Ma'am elaborated on the idea that India would soon become a popular location for higher education and that it was crucial to be ready for this.

The response from the staff for all the four sessions was that they found the session very informative. They said it helped them to gain a better understanding in areas they were lacking and where they needed improvement. The staff appreciated the learned resource persons and mentioned that they gained a lot of knowledge from the program.

Event: Fire Drill Activity

Resource Person: Mr. Manish Jadhav

Time: 12:30 pm Date: 20/12/2021

Venue: Modern College campus

Introduction: A fire drill is a simulation of a real life emergency event and should be treated as such, for the safety of all concerned. Fire drills are critical for ensuring the safety of the staff, students and residents that enter your college building or property. Practicing fire drills will help ensure individuals have the knowledge to safely escape a fire without injuring themselves or others.

Objective of the Event:

- ✓ To Involvement of teaching and non-teaching staff during emergencies Preparedness and alertness
- ✓ To understand the features of the fire emergency systems installed in the building.
- ✓ To understand what they need to do if there is a fire.

The event "Fire Drill" was conducted by MCCCS College. This program was conducted on the 20th December 2021 Under the guidance of Asst. Prof. Dr. Dinkar Chavan, Assistant Professor at MCCCS, coordinated the event successfully.

Fire drill started at 12:40 pm when all Teaching and Non-teaching staff arrived at the college campus. Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. Faculty and staff should close (not lock) doors and windows and take responsibility for checking facilities for complete evacuation. A briefing was done on Fire and Emergency response during Fire Emergency. The fire-Fighting team used the right Extinguisher for the Extinguishing purpose (DCP, Water). The workforce remained calm, while the mock drill was in progress, and showed keen interest to get knowledge about the emergency.

Total Number of Participants: 17

Outcomes: Classroom faculty and staff should be familiar with the easiest exit to be used in the fire drill and the alternative exits available. All were very happy to attend the program & also suggested many more such activities for safety purposes.
