### Report

Academic Year 2021-22

**Event:** NO VEHICLE DAY

**Date:** 11/11/2021

**Time:** 8.30 am

**Venue:** COLLEGE FIELD

NO Vehicle Day is a campaign to protect the environment and maintain the ecology balance by reducing the use of fossil fuel and planting trees around us. To make its campus eco-friendly and emission-free, Modern College of Commerce & Computer Studies authorities have urged all staff and students to avoid using personal vehicles inside the campus once a week on every Thursday from November 2021. After the second wave of brutal pandemic, Modern College of Commerce & Computer Studies felt the necessity of oxygen and his responsibility towards society so it had decided to take some measures in our college to reduce carbon dioxide in our environment. Thereafter Modern College of Commerce & Computer Studies started observing no vehicle day on the college campus.

#### Objective of the Event:

- The basic objective was to create awareness among the students and staff and also try to reduce the traffic congestion and enable our students to play an active role in curbing Global Warming.
- To create environmental sensitivity and consciousness about vehicle pollution in the minds of students.
- We encourage students to use either bicycle or electric vehicles in their day to day life.
- To reduce the little amount of fossil fuels consumption in our daily life.

The event "NO VEHICLE DAY" has been observing in Modern College of Commerce & Computer Studies in every Thursday. In 2021, Modern College of Commerce & Computer Studies joined the drive against pollution and for a clean environment by observing no vehicle day on the campus on Thursday of every week to fulfil its obligation for society. At the very first stage we face a lot of problems regarding this No Vehicle Day program but after that when we got support from students and staff and we made this program a grand success.

**Total Number of Participants:** All teaching & non teaching staffs and all students.

**Outcomes:** All students are feeling very happy by observing this program & also take oath for its promotion. It creates a patriotic feeling among the students. Students become aware about the bad impact of the vehicles on nature and take a pledge to avoid petrol vehicles in their daily life.

**Organized by:** Prof. Shivkant Pupalwad & Prof. Ravikiran Kakde.

### Report

Academic Year 2022-23

**Event:** NO VEHICLE DAY

**Date:** 04/08/2022

**Time:** 8.30 am

**Venue:** COLLEGE FIELD

NO Vehicle Day is a campaign to lessen the use of fossil fuels and plant trees around us in order to safeguard the environment and keep the ecology in balance. The Modern College of Commerce & Computer Studies again instructed to all its employees and students to refrain from using personal automobiles on campus once a week on every Thursday starting in August 2022 in order to make the college environmentally friendly and emission-free. Following the second wave of the terrible pandemic, Modern College of Commerce & Computer Studies took this decision to take steps in our college to reduce carbon dioxide in the atmosphere because it recognised the importance of oxygen and its social responsibility.

#### Objective of the Event:

- The main goal was to raise awareness among the students and faculty, as well as to try to lessen road congestion and provide our students the opportunity to actively combat global warming.
- We urge students to commute to college on bicycles or electric vehicles.
- To cut back on the minimal quantity of fossil fuels we consume on a daily basis.

The event “NO VEHICLE DAY” has been observing in Modern College of Commerce & Computer Studies in every Thursday. In 2022, Modern College of Commerce & Computer Studies also joined the drive against pollution and for a clean environment by observing no vehicle day on the campus on Thursday of every week to fulfil its obligation for society.

**Total Number of Participants:** All teaching & non teaching staffs and all students.

**Outcomes:** All students are feeling very happy by observing this program & also take oath for its promotion. It creates a patriotic feeling among the students. Students become aware about the bad impact of the vehicles on nature and take a pledge to avoid petrol vehicles in their daily life.
